PROFILE

International business graduate from University of Padjadjaran with 4 years of experience working with the Indonesian sculpture maestro Mr. Nyoman Nuarta and the architecture team behind him (PT NuArt Consultant). Wearing many hats as Project Management Officer, Business Development and Public Relations in his three companies, which are engaged in the field of architecture, art dealer, contractor, land development and hospitality industries.

My biggest achievement is become a part of the team who build Garuda Wisnu Kencana, 121 m tall sculpture at Bali, nominated the largest statue in the world using copper material and inaugurated on September 22, 2018 by the President Republic of Indonesia.

And also involved as one of the PMO Internal in "Team Swakelola Basic Design" for Public Works and housing Ministry of the Republic Indonesia. Known as the project of Presidential Palace in the New National Capital, South Kalimantan, Indonesia. (February - September 2021).
