CATUR BAGASKARA

ABOUT

Hello, my name is Catur Bagaskara. I'm a fresh graduated from Politeknik Negeri Jakarta in Informatics Engineering.

I have a good understanding not only of Backend side, but the frontend side are just as great. The technology that i've been using all along are PHP with Framework Laravel and Codeigniter, Dart on Framework Flutter, and Javascript with NodeJS and ReactJS which are my stack favorites at this time.

📍 Sukmajaya, Kota Depok, Indonesia
